Press Release

News Editor/Editor,

It is mandatory that the names of all Sri Lankan citizens who are eligible to vote are included in the Electoral Register. The Election Commission has already initiated the process of revising the Electoral Register for the year 2025.

Similarly, the PAFFREL is constantly engaged in educating the public through various channels about the need of having their names included in the Electoral Register. And we kindly request you to treat it as a responsibility of your media organization and provide adequate publicity for this process.

A copy of the letter sent by the PAFFREL to secretaries of political parties in this regard, advising them to inform their supporters, is attached for your reference.

Thanking you.

Yours faithfully,

Rohana Hettiarachchi,
